FOR IMMEDIATE RELEASE

John Rossman Named One of the “Top Attorneys in Collections”

Minneapolis, MN (Sept. 24, 2018) – Moss & Barnett, A Professional Association, is pleased to announce that *Collection Advisor* has named John Rossman as one of the “Top Attorneys in Collections.” The attorneys named in Top Attorneys in Collections have been nominated by their peers for efforts to improve collections through legal collections, creditor defense, and legal consultation.

Rossman chairs the firm’s creditors’ remedies and bankruptcy team. He is licensed to practice in 15 courts and jurisdictions across the country and regularly serves as counsel nationwide, both as a lead attorney and as a learned strategist for local counsel. He advises and counsels debt buyers and collection agency clients on regulatory compliance, defends them in claims and litigation, and advises them on best practices to prevent legal action.

Rossman says that “[t]he biggest challenge facing collection attorneys is the constant changes in the laws and requirements for complying with the FDCPA. I am on the steering committee of the Consumer Relations Consortium, a group of more than 30 collection agencies, debt buyers and creditors that meet regularly with the regulators in Washington, D.C., including the CFPB and FCC, to implement common sense rules and requirements for our industry.”
