About *Super Lawyers* and *Rising Stars*

Super Lawyers, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. Peer nominations and evaluations are combined with third-party research, and selections are made on an annual, state-by-state basis. Designation as a *Super Lawyer* is awarded annually to only 5% of the licensed, active lawyers in Minnesota.

In 1998, *Super Lawyers* launched *Rising Stars* in Minnesota to recognize the top up-and-coming attorneys in the state — those who are 40 years old or younger, or who have been practicing for ten years or less. Designation as a *Rising Star* is awarded annually to no more than 2.5% of licensed, active lawyers. For more information, visit www.SuperLawyers.com.
