FOR IMMEDIATE RELEASE

**Peter J. Kaiser and Taylor D. Sztainer Appointed Adjunct Directors
to Moss & Barnett Board of Directors**

Minneapolis, MN (July 24, 2023) – Moss & Barnett, A Professional Association, is pleased to announce that **Peter J. Kaiser** and **Taylor D. Sztainer** have been appointed Adjunct Directors to the firm’s Board of Directors effective July 1, 2023. Adjunct directors are shareholders who serve as non-voting members of our board of directors for one year. The adjunct director program is intended to train future leaders of the firm.

Kaiser is an experienced corporate lawyer who primarily works in the areas of emerging growth, alternative investing, and mergers and acquisitions. He acts as outside general counsel for his clients, with a focus on creative, practical solutions. More specifically, his practice includes advising startups and emerging growth companies from inception to exit, often coordinating their many legal needs; serving as deal counsel to private investors, investment funds, and family offices by reviewing, negotiating, and assessing opportunities, particularly in the areas of venture capital, private equity, and other alternative investments; and representing buyers and sellers in all stages of the M&A process, with a focus on cutting through the legalese and helping his clients decide what matters.

Sztainer leads the firm's Professional Liability team where she focuses on litigation, loss prevention, risk management, and serves as outside general counsel for her clients. She has litigated cases in federal and state courts throughout Minnesota and the United States focusing on professional liability claims against accountants and attorneys; business and personal torts; shareholder and trust disputes; employment-related disputes; and commercial real estate litigation.

Kaiser and Sztainer will each continue practicing law on a full-time basis in addition to handling their management responsibilities. They serve on the board along with directors John P. Boyle, Jana Aune Deach, Brian T. Grogan, Timothy L. Gustin, Christopher D. Stall, and James J. Vedder.
