**Kevin M. Busch**, Moss & Barnett's Chief Operating Officer, chair of the firm's banking and commercial transactions team, and a member of the firm's business law team, was presented with a Civilian Award of Commendation on June 5, 2014, by Chief John M. Harrington of the Metro Transit Police.

On the evening of June 18, 2013, while on his way home from work, Kevin came across a young female victim who was being violently beaten. As Kevin approached, the assailants fled. Kevin aided the victim and called 911. Officers arrived on the scene and later were able to apprehend several suspects. As Chief Harrington noted in his commendation, "It is the collective effort of honest citizens and officers on or off duty, being in the right place at the right time, that provides safety and justice for our community."
